

Guidelines for Sons of Norway Resolutions

Overview

One of the real benefits of participating in the democratic process is the opportunity to have a voice regarding the public policy issues that affect our lives. Since Sons of Norway formalizes its business policies and decisions using the resolution process, it is important that members and lodge, and district committees and boards follow a consistent format or template in preparing, presenting and adopting resolutions.

What is a resolution?

- A resolution is a main motion, phrased formally. It addresses a specific topic or issue, using concise language, and presenting an identifiable action.
- Resolutions consist of two essential elements:
 1. The “**whereas**” clauses, which contain the rationale for the resolution and any additional pertinent information.
 2. The “**resolves**” or the action thus recommended.
- Each resolution addresses a single issue.
- A resolution must be implementable.
- If a resolution calls for a program with a timetable, the timetable shall be clear and achievable.
- The intent, objective or goal of the resolution should be clear and purposeful so that upon passage it will accurately represent the will of the assembly.

How to write a “whereas” clause

The **whereas** clause is the first half of the resolution that sets up the problem to be solved. It explains why the action in the **resolved** clause should be taken. Every issue brought up in a **whereas** clause should be dealt with in a **resolved** clause.

Example:

WHEREAS we have only been serving cake, jellied and glazed donuts at our lodge meetings; and

WHEREAS some members also like chocolate donuts; and

WHEREAS the price for chocolate donuts is the same price as cake, jellied and glazed donuts;

THEREFORE, be it resolved that chocolate donuts shall be added to the list of acceptable donuts to be served at lodge meetings.

Think before you submit

Some issues may be resolved without sending resolutions to district lodge meetings. Attempt a first route of resolution – ask someone at Headquarters, inquire about the history or status of a program, ask your International Director, District President, District or International Secretary, etc., before submitting a resolution.

Know the financial impact

If a resolution involves a financial impact, either by reduced revenue or by additional or new expenses, include such information in a *whereas* clause if it furthers your rationale for the resolution, i.e. the implementation of the proposed resolution would have minimal costs. If such financial impacts do not fit within a *whereas* clause, add a separate explanatory note. Try to help your financial committee by providing specific data projecting future financial impact.
